

During the festive season British troops based on the Ascension and Falkland Islands will be merrily eating...

2,692 turkeys

237,500 kilos
of potatoes

1,150 kilos of parsnips

accompanied by
269 jars
of cranberry jelly

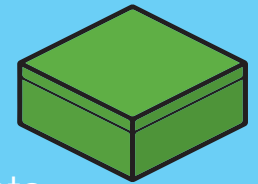

And for pudding....

651
Christmas
Puddings

and exactly
5,985
wafer thin mints

They will be able to enjoy
Christmas jokes
from **1,900** crackers

...and for a further morale boost
British Forces Post Office have sent
134,420kg of post
equating to weight of more than
2.2 million mince pies
