# THE BALANCED MATRIX

## Our balanced matrix model

Our organisation operates a balanced matrix approach, enabling us to have the right people and skill sets in the right jobs at the right time. Your role will be aligned to a particular Success Profile: a flexible framework which describes a variety of strengths, behaviours, experience and abilities for your position. The balanced matrix enables you to be transferred to other positions with the same Success Profile, so you can move to projects with the highest priority for Defence.

For example, when a global event such as a natural disaster occurs, a project manager working on the delivery of a new piece of military equipment could be moved to a project managing the delivery of urgent supplies to international military operations. The project manager would move to an equivalent role requiring the same level of skills and experience to take on the tasks required (as detailed in their Success Profile).

## Our Recruiting Principles

We honour the [Civil Service Recruitment Principles](#), which are a legal requirement for hiring within the Civil Service and ensure we hire on merit, on the basis of fair and open competition.

## An inclusive environment for all

We champion a diverse and inclusive environment, where everyone can be themselves and give their best. Because by harnessing the power of different ideas, experiences, and perspectives, we can achieve our ambitions, together. [Discover more on our website](#).

## Reasonable adjustments

Support – it's in our name. If you have a disability or additional need that requires accommodation, please let us know by completing the 'Reasonable Adjustments' section in the 'Application Questionnaire' page of the application form. Candidates with disabilities can also opt into the [Disability Confident Scheme](#).

## Your interview panel

Please note, your interview will involve a panel of trained interviewers from around our organisation and not necessarily from the specific team you will be joining.

## Great Place to Work for Veterans

We're part of the 'Great Place to Work for Veterans' scheme, supporting service leavers to find secure and meaningful employment after leaving the UK Armed Forces. If you're a military service leaver, you can opt into this scheme on your application form and, if you meet all the Essential Criteria listed on the job advert, your application will progress straight to interview.

## Probation

All employees joining DE&S/SDA who are new to the Civil Service will be subject to a six-month probation period, which will be

effective from the employment start date.

## Remuneration – External candidates

The advertised salary is payable for full time advertised hours. If you wish to work less than the advertised hours, it will be on a pro-rata basis. Other than in exceptional circumstances, we offer at the start of the advertised salary range, and you have the opportunity to progress through the range based on performance, and in the future, capability.

## Remuneration – Internal candidates and existing civil servants outside of DE&S/SDA

If you are already an employee of DE&S or the SDA, or work in the wider Civil Service, it is important you read our [Remuneration Guidance](#).

## Right to Work, nationality, visas and sponsorship

As part of our pre-employment checks, documentation will be required to prove your existing right to work in the UK (or the country of your Primary Duty Station for overseas roles). Each job advert will state if any specific restrictions apply regarding nationality – appointments will be made in accordance with the [Civil Service nationality rules](#).

DE&S and SDA don't offer visa sponsorships for roles under the UK government's Right to Work Scheme. As such, should an individual's visa expire during the course of their employment, it is their responsibility to renew it or ensure their continued Right to Work.

Nationals from outside the UK or the [European Economic Area \(EEA\)](#) who attend an interview are required to provide original documents that prove their existing entitlement to work in the UK in their own right (i.e. not sponsored by their current employer).

## Vetting

Successful candidates must meet the [security requirements](#) before they can be appointed. We encourage you to read this to understand the requirements before submitting your application. The level of clearance will be stated on the job advert and is likely to be either Security Check (SC) clearance or Developed Vetting (DV).

## Cabinet Office fraud checks

As part of pre-employment screening, applicants who are successful at interview will be subject to a check on the Internal Fraud Database (IFD). This check will provide information about employees who have been dismissed for fraud or dishonesty offences. This check also applies to employees who resign or otherwise leave before being dismissed for fraud or dishonesty had their employment continued. Any applicant whose details are found to be held on the IFD will be refused employment.

## Reserve list

If more candidates are successful at interview than the number of positions available, their details may be held on a reserve list for up to 12 months. If you're offered a position from a reserve list, the terms and conditions that apply at point of offer will be applicable, subject to passing security clearance checks.

## Raising the bar

When we review and score CVs, candidates are required to meet a pre-determined 'pass mark'. At times, when there is a higher level of competition, we reserve the right to increase the pass mark.

## Offering at a lower level

If you're not successful at interview, we may offer you a role at a lower level if this is a match for your skills and experience. If this applies to your application, you'll be scored against criteria for the lower-level role and offers will be made in merit order. If you accept this position, you'll be able to take advantage of opportunities to develop your career as part of our team.

## Childcare vouchers

Any move to DE&S or the SDA from another employer will mean you can no longer access childcare vouchers, as the scheme has now closed. This includes moves between government departments. However, you might be eligible for other government schemes, including Tax-Free Childcare. Determine your eligibility at [www.childcarechoices.gov.uk](http://www.childcarechoices.gov.uk).

## Privacy notice

The [Ministry of Defence Privacy Notice](#) informs how we will use your personal data, explains your rights and gives you information that you are entitled to under Data Protection legislation. If appropriate, your application form and selection information may be shared with additional vacancy holders across the organisation.

## A smoke-free organisation

As of 31st December 2022, we're a completely smoke-free organisation, with the use of all tobacco products, e-cigarettes and vaping devices prohibited on our sites. If required, individuals can receive support in stopping smoking through our Employee Assistance Programme.

## Queries and feedback

If you would like to give feedback on the application process and the treatment of your application, please [contact the DE&S Recruitment team](#). If you have submitted a complaint and are not satisfied with the response you receive, you can contact the Civil Service Commission.

**We're pleased to support you in taking the next step in your career.**

**If you have any queries before applying, don't hesitate to get in touch with the recruiter listed on the job advert.**

**Best of luck!**

“ I would definitely recommend DE&S. The organisation provides amazing training and invests a massive amount of resource and time in upskilling its employees.”  
- Gaurang, Project Manager
